

SUMMER SUNRISE WALK: AUGUST 28, 2021

COLORADO RIVER WALKERS, AUSTIN TX.

LADY BIRD LAKE YRE 069

We will **NOT** start at the regular walk box location in Extended Stay America, as parking there for many walkers cars might be a problem. Instead, we will have the registration and start point at another place on the route, Lorraine Camacho Activity Center, 35 Robert Martinez Jr. St. There is ample parking and restrooms outside and to the right of the center. Registration and pre-stamping of books is anytime between 7:00-9:30 a.m.

Directions: Exit I35 just north of the river, at either Cesar Chavez St. or Holly St. Travel EAST for 1.5 km. Turn right on Robert Martinez and drive to end of street, about .7 km., to park to the right of the activity center.

The walk routes are 6/10k and have beautiful sights. A new art/interactive installation “Territories” has recently been installed along the route. More restrooms and water fountains are about at the 3k and 8k points. **HOPE YOU CAN ATTEND !**
